the world is your oyster.  
hope you save the pearl.

i wake up yearning.  
for you.  
every single morning.

i loathe you.  
and call that  
—my love.

i want you in my soul  
and i do try.  
very hard.

but you slip through my fingers.  
every single time.  
i lose.  
there's no fighting.

i want to die!  
with you  
—wrapped around my heart.

you.  
my cloudy poison.
